MEMO

Philip Morris USA
Research Center, Richmond, Virginia

To: Owen Smith, Steve Parrish, and Ken Houghton

From: Harold Burnley

Date: May 2, 1994

Subject: Follow-up response to the GAO

Attached is a draft follow-up to information promised to the GAO during their visit.

I believe that it is important to respond quickly, today if possible. They will be meeting with Senator Kennedy's staff within a few days and should have this information prior to that meeting.

Please let me know who should approve this transmittal.

Thanks,

Harold
